DEDICATION

On behalf of the Chimes Staff and the entire student body here at Pfeiffer College, we would like to dedicate the 92-93 Edition of the *CHIMES* to Mr. Paul Fowler.

Mr. Fowler graduated from Florida St. University and came to Pfeiffer College as Director of Housing in August 1986 and has been with Pfeiffer for 7 years. He has served as Director of Student Activities and has been Dean of Student Affairs for 3 years. As Dean of Student Affairs, Mr. Fowler is always busy being a Freshman mentor, the Director of Residential Life, and taking care of all Judicial Affairs.

Mr. Fowler is originally from South Carolina and now resides with his wife here in Misenheimer. Some of his hobbies include early morning work outs in the gym, golf, and tennis.

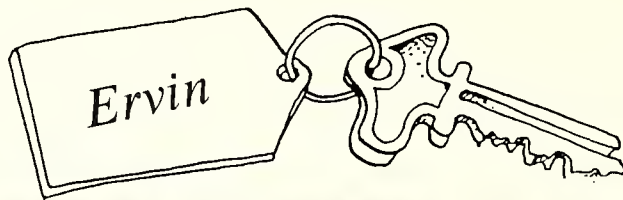

The faculty, staff, and students would like to thank you for the time, efforts, and patience that you have given here at Pfeiffer College and we wish you much luck in the future.

Orientation '92

With the beginning of the fall semester, new students and freshmen were brought onto campus. They arrived on August 16 to a campus full of warm smiling faces from the orientation team. Being new to college is something every freshmen fears. Knowing this, the RD's, RA's, and the orientation team made everyone feel more at home. They helped students move in and helped them find their way around campus.

Lots of time and hard work were put into making freshmen feel as if they would be able to make it on their own at college away from Mommy and Daddy. After they were situated, the orientation team entertained them until the returning students arrived.

A new freshman moves into Rowe Dorm.

House, Cindy, Karen, Jimmy, Sarah, Josh, and Quinton

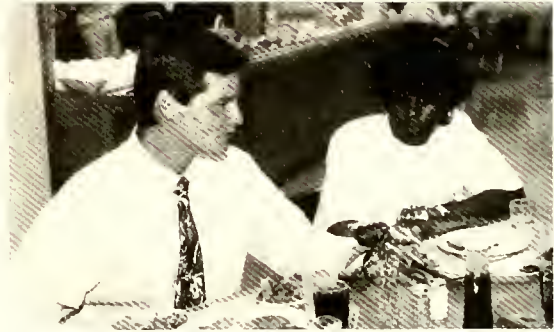

Suzanne Holden was lost, but now she has directions.

Karen helps a new student.

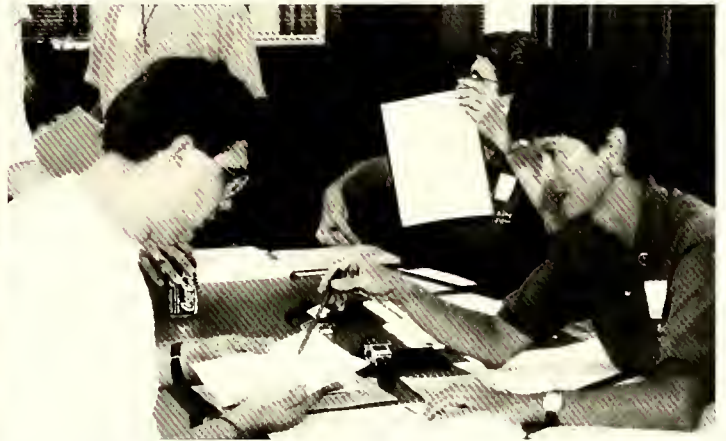

Dr. Riemann shows his new advisees around.

Mr. Helms talks with one of his advisees over lunch.

Steve Epstein and Eddie Ivey entertain during the orientation presentation.

During orientation, Shelia explains health service information to a returning student.

HOMECOMING

Homecoming is one of the major events ever to happen to the Pfeiffer campus, minus a Washington or Foote party. "Wish Upon a Star" was the theme of the week, while Alcohol Responsibility was also in conjunction with it.

This is a time when students and faculty are encouraged to participate and enjoy the many activities. Events ranged from watching a movie to a soccer game. Many of the students feel it's a good time to show their support for the Pfeiffer athletes.

Wish Upon a Star, the homecoming theme.

Monday — Senior Elections for Homecoming King and Queen

Tuesday — Miss Northside Pageant

Wednesday — Soccer — Pfeiffer vs. Belmont Abbey

Tom Sawyer Day

Tom Sawyer himself would have been proud of Pfeiffer College Alumni. In the more than three years since the first "Tom Sawyer Day," the work days have generated over 3,000 man-hours and saved the school thousands of dollars. Projects have included refurbishing and refurnishing women's residence halls, painting the library, Goode Hall, and the chapel. Also bushes have been planted in front of the administration building and along the front gates and fence. Bushes have been trimmed and weeds pulled. The most recent "Tom Sawyer Day" had 85 people working to prepare the college for its May 8 commencement ceremonies.

Tom Sawyer Days continue to be an effective way to accomplish needed work, create good will, and increase communication among alumni, friends, students, and faculty/staff.

Happy Halloween

They say that all spooks and freaks come out at night. Well, they all did Saturday night, October 31, 1992. The school sponsored a dance and a party at the lake house for the students. Everyone was encouraged to dress up for the party and have a good time. Prizes were rewarded for the best costume.

Patty and Mike were all dressed up for Halloween.

Pfeiffer Gives Blood

Pfeiffer College held its traditional blood drive on November 5, 1992 in Merner Gym. Many students volunteered their extra time and support to the blood drive. As every year, the goal to reach was 100 units of blood. Students, faculty, alumni, and friends in the community volunteered their time and blood to the cause.

Many students volunteered their spare time to help out at the blood drive.

The Pfeiffer College Theatre and the Uwharrie Players presented William Gibson's *The Miracle Worker* on Nov. 6 and 7. The unique collaboration closed the Uwharrie Players season and opened the Pfeiffer College Theatre's season.

Director George W. Bellah stated, "As far as we know, this is the first of its kind for the Uwharrie Players and Pfeiffer College Theatre and hopefully, there will be more to come."

This is the true story of Annie Sullivan's tremendous struggle to educate blind and deaf Helen Keller. Annie is handed a bit more than she expected as she wrestle with the Keller family, the over-protected and spoiled young Helen, and the demons of her own past in order to accomplish her goals.

Helen is far from prepared to accept the radical change in discipline that Annie is about to enforce.

Lowder comments, "Helen is a real brat in the beginning, but with Annie's help, she learns to 'fold her napkin'." Sullivan is the Keller family's final attempt to cure Helen of her affliction. Captain Keller, played by community actor Nat Hammer, and Kate Keller, played by Pfeiffer College student Deborah Carns, Helen's parents, are skeptical of Annie's harsh ways with their daughter, but realize that the strong minded teacher is determined to transform their tyrant into a child. Helen and Annie battle to the finish as Helen finally learns communication, as well as table manners.

— George W. Bellah

Annie Sullivan, played by Pfeiffer College theatre major Jeanette Hackett, tries desperately to teach Helen Keller, being played by 12-year-old Paige Lowder, how to eat.

BLIZZARD O

Winterfest

The blue and white made the Winter Wonderland. The night started off with a formal dinner of chicken, rice, broccoli and cheese, and dessert which was served by the faculty and staff. After dinner, it was off to dance which was sponsored by AWS and AMS. The gym was all decorated with balloons and streamers. The D.J. provided a wide selection of music. The night was enjoyable.

Now what do we do?

Seniors Chrissy Morton and Eric Hodeen enjoy the wonderful service of John Branin at the dinner.

Rhonda and Brad twist the night away.

It's Electric!

Ashley Reese enjoys her first Winterfest with her mother, Janet Fowler.

Eddie, Tonya, and Kirk toast to a great Winterfest dinner.

Tammy dances to a cool beat.

April

Each year as the semester winds to an end Aprilfest activities begin. This year's Aprilfest celebration was filled with activities for the entire campus. The Antique Car Show, the dance, and the day at the lake are a few activities that everyone enjoyed.

Throughout the entire week the Aprilfest activities lifted the "end of the semester blues" from its participants. As always, Aprilfest was a success.

Antique Car Show

The Third Annual Antique Car Show was a complete success this year. The campus enjoyed 117 beautiful cars, the largest turnout ever. Because of its great success, \$1000 was raised for the Fred and Ruby Ross Scholarship fund and another \$1000 was raised for the junior and senior classes. Let's hope that the car show continues to be such a success in the years to come.

Carnival

Only the brave rode the gyro

There was something for everyone to enjoy at this years carnival. Many brave students and faculty tried their skills on the gyro, while others chose to become a "human fly" by velcro jumping. Many groups such as BSA, the Outtings Club, and The Chimes sponsored booths at the carnival.

Many had caricatures drawn

MIDNIGHT MAGIC

Aprilfest is the last dance of the year. It was held in Merner Gym. The theme was "Midnight Magic" and the colors were red, white, and black. Music was provided by Rolling Thunder. At 11:00 pm, Janet Fowler was crowned queen. The night was exciting for everyone.

DAY AT THE LAKE

Day at the lake is the last major event of the year. The Boat race is always a major attraction. Dawn Hedrick and Trip Stuckey won this year's race. The music was provided by Brad McLawhorn and Kathy Schoen. The day winds down with a pig-pickin' for supper.

Thumps up to Dawn and Trip, for having the winning boat.

Everyone enjoyed the beautiful day

FIELD HOCKEY

This year was the last field hockey season at Pfeiffer College. The league finished with an overall record of 156 wins, 111 losses, and 14 ties. The program was started in 1975 by Fran Knapp, who coached from 1975 to 1977. He finished with a record of 20 wins, 13 losses and 6 ties. Then the team was coached by Ellen Briggs from 1978 to 1981. Her record was 51 wins and 21 losses. The team won the NCAA Division II National Championship in 1981. Nancy Ingram has coached from 1982 to 1992. Her record ended with 85 wins, 77 losses and 8 ties. In 1983 the team ranked 7th nationally in the NCAA Division II. In 1992 the team was ranked in the top 5 of the NCAA South Region Poll. This was the first winning season since 1987. The leading scorer was senior Kris Sterbinsky with 13 goals and 2 assists. Leading the team in assists was senior Kelley Relation with 7 goals and 5 assists. Goalies Lori Timm and Jennifer Justice saved 135 goals between the two of them. Then only allowing 37 goals to be scored. Coach Ingram received the Franny Homer Award which is given by the Deep South Association to an individual who contributes to the promotion of field hockey in the Deep South Region. This award goes to someone who demonstrates sportsmanship and love for field hockey. We are proud to have had field hockey in our sport program here at Pfeiffer.

VOLLEYBALL

For the second straight year the Lady Falcons advanced to the district 26 playoffs. This capped a very successful season which saw the Falcons go on a 9 match winning streak at the end of the season. Despite the loss of three starters from the 91-92 team, the squad relied on experienced upper classmen and a good mix of freshmen to rally for a winning season. Senior starters Fonda Lyons, Daisy Barrios, and Julie Stump were instrumental in leading the team to another successful season.

SOCCER

The Pfeiffer Falcons were much more competitive despite their overall record. The Falcons jumped out to a 2-0 start but then preceded to lose 13 of the next 14 but seven of those losses were by one goal or in overtime. Pfeiffer was led by Todd Turner who finished with 14 goals and 3 assists. As a team Pfeiffer was much improved from previous years, on offense as they averaged 1.94 goals per game. The Falcons also had a solid year from Jim Dotsikas, a four year starter, who played every game at sweeper. Throughout the year Pfeiffer started seven freshman or sophomores and will look to them to continue to develop and be the leaders of the future of Pfeiffer Soccer.

Lady Falcon Basketball

The Lady Falcons wrapped up their season with a disappointing 8-17 record but they didn't go down easy. The ladies played a tough game against the number 2 seed Mount Olive in the Carolina's Conference Tournament falling 70-71. The season was one of ups and downs for the Lady Falcons as both wins and losses came in spurts. With the loss of seniors Kathleen Jones, Necole Watts, Janet Fowler and Fonda Lyons, the ladies are looking for a few key recruits to help build a contender for the 1993-94 conference title.

Marlene goes for the rebound.

The *CHIMES* is an important publication that reflects what Pfeiffer College is all about. It shows many activities, events, sports, and most of all, the people here at Pfeiffer. Many memories are made on a college campus and it is with the help of a yearbook that some of these memories and faces can be retraced.

The 1992-93 Chimes Staff worked very hard this year to put together a book filled with many of these lasting memories and one that no one will forget. We hope that you will enjoy this book and will somehow get involved with the yearbook staff in order to make a future book even better; for it takes much time, effort, and most of all, PEOPLE willing to work together to even produce a yearbook.

There are several people we would like to thank. We would like to thank both first and second semester Chimes Staff members for their hard work and dedication. We have enjoyed working with all of you! We would also like to thank John Ahrens and Paul Key who, so graciously, gave their time to be our photographers. A very special thank you goes to our new advisor this year, Amy Brown, for her time, effort, and many suggestions. A special thank you goes to Ann Key for her helpful suggestions and opinions. Also, we would like to thank Brad McLawhorn for his work that allowed us to meet our final deadline and get the book out on time.
